

for job creation and investment in our State.

In Minnesota's Eighth Congressional District, we have rich deposits of critical minerals, along with other great projects, like the Line 3 Replacement Project.

Nancy has long understood what these opportunities could mean for our region and spearheaded this locally-driven movement to fight for good-paying mining and energy jobs. Through her exceptional work and advocacy, Nancy has helped to make great progress in our local communities.

Since arriving in Congress, it has been my pleasure to work alongside Nancy to unleash the economic engine in Minnesota's Eighth Congressional District.

She has served as an incredible resource to me, and while I will miss her expertise and leadership, I wish her nothing but the best in this next chapter of her life.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mrs. BOEBERT asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BOEBERT. Mr. Speaker, I rise to speak in defense of those who cannot defend themselves, the voiceless, the unborn.

I rise to say what we all know to be true, that human life begins at conception, because we know science is real.

The more than 60 million babies that have been ripped from their mother's womb since *Roe v. Wade* were no less valuable or worthy of life than any of us here today. No taxpayer should ever be forced to pay for abortion.

Abortion is not healthcare, it is murder. I will not stand by quietly. I say Planned Parenthood can go fund themselves.

Mr. Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, No Taxpayer Funding for Abortion Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Mr. CUELLAR). Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

HONORING THE LIFE OF CHARLES ROSE

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Mr. Speaker, I rise today to honor the life of Charles Rose, a good friend of mine. He was a brave

veteran who passed away on July 24 at 97 years old.

Charles was a corporal in the United States Marine Corps during World War II. He fought in the Battles of Tarawa, Saipan, and Tinian in the Pacific, and was awarded a Bronze Star with valor for his bravery.

In 1953, Charles married the love of his life, Jane, and they had four sons: Steve, Tim, Mark, and Dennis.

I was honored to speak about Steve on the House floor a few months ago after he passed away. He was a great veteran, just like his dad.

Charles also had 12 grandchildren and 28 great-grandchildren, who loved him dearly, and they were his pride and joy.

Charles worked hard all his life. In 1969, he decided to go into business for himself. He founded his own septic tank business where the motto is "A Flush Beats a Full House Every Time." It is still going strong today, being run by his sons and grandsons. He also became a Baptist minister and inspired everyone he knew with his love for the Lord.

Charles always used to say, "plain talk is easy understood." He hit me with that nugget of wisdom several times, and I won't forget it. It was an honor to call him my friend, and he will be missed by those who knew him. Rest in peace, brother.
